

JASPER ESPIRITU
General Virtual Assistant & Executive Assistant
Philippines | jasperdizonespiritu@gmail.com | 09755721890

PROFESSIONAL SUMMARY

Virtual Assistant with experience in real estate admin, warehouse operations, and ASUS customer support. Handles calendar coordination, inbox support, CRM updates, data entry, client follow-ups, order tracking, ticket documentation, reports, and escalations. Strong fit for General VA and Executive Assistant roles that need organized daily admin support.

CORE SKILLS

Executive support: calendar coordination, inbox management, appointment scheduling, reminders, meeting notes, task follow-ups

Admin operations: data entry, CRM updates, file organization, report preparation, trackers, SOP documentation

Customer support: email support, chat support, phone support, ticket handling, case notes, escalation routing

Operations support: order tracking, shipment updates, inventory logs, vendor coordination, status reports

EXPERIENCE

Real Estate Virtual Assistant | *Real Estate Team* 2024 - 2025

- Maintained lead records, client notes, property details, contact information, and task trackers in CRM/spreadsheets.
- Coordinated agent calendars, client follow-ups, appointment schedules, and reminders for active leads.
- Drafted client messages, basic email replies, status updates, and follow-up notes under team direction.
- Organized transaction files, vendor details, document checklists, and shared folders for easy team access.
- Prepared lead status updates covering pending replies, booked appointments, open tasks, and next actions.

Warehouse Virtual Assistant | *Warehouse Operations* 2023 - 2024

- Updated order sheets with item details, quantities, shipment status, tracking numbers, and fulfillment notes.
- Checked inventory logs, order records, and delivery details for missing or incorrect information.
- Flagged delayed shipments, backorders, and incomplete order details to the warehouse or support team.
- Organized invoices, shipping records, delivery files, and daily admin reports for operations review.
- Coordinated order updates between warehouse staff, suppliers, and customer-facing teams.

Customer Service Representative | *ASUS* 2020 - 2025

- Handled ASUS product inquiries, warranty questions, repair status updates, service requests, and troubleshooting issues.
- Logged customer cases, call notes, issue details, resolutions, and follow-up actions in the support system.
- Followed troubleshooting steps for hardware, software, account, warranty, and service center concerns.
- Managed phone, chat, and email queues while keeping responses clear, direct, and properly documented.
- Escalated unresolved cases and recurring technical issues to the correct department with complete case notes.

TOOLS

Google Workspace, Microsoft Office, Google Sheets/Excel, Gmail/Outlook, shared drives, CRMs, ticketing systems, inventory trackers, order trackers.

ADMIN SUPPORT SCOPE

- Calendar and inbox support: schedule updates, reminders, follow-ups, response tracking, and daily priority lists.
- CRM and records support: lead records, customer profiles, ticket notes, property details, and order information.
- Reporting support: weekly status summaries, task trackers, open issue lists, and order or shipment updates.
- Team coordination: client updates, vendor follow-ups, escalation handoffs, and shared-folder organization.
